## The rules of The Big Swish are simple:

### *Raid your wardrobe*

Check your wardrobe for good condition clothes, shoes and accessories and bring them to Jewel between the clothes drop off slot. The Big Swish team will then check them in for you and issue you with a Swish passport. We will then size and display your clothing and accessories for you.

### *How many can you bring?*

You can bring up to 15 pieces, which include clothes, shoes and accessories. And for this special Après Ski Swish party we will also be accepting skiwear too! If you just can't help yourself and fall in love with more clothes than your clothing donation, then you can make a minimum donation of £2.50 per additional item (additional items can only be purchased at the end of the Swish to ensure all attendees have a fair chance of all items). Any clothing left at the end of the event will be donated to Cancer Research.

### *Clothes to Swish?*

All clothes must be in good condition; any clothes with bobbles, stains or from Primark will not be accepted by our team of sorters. To give you all a great range of clothes to feast your eyes on, we will not be accepting plain T-Shirts / vests, T-shirts with prints or wacky words will be accepted with glee!
