The Big Swish on the 30th September

The Big Swish and stylist Lupe Castro invites you to the Big Swish on the 30th September at Amika, one of London's hottest venues in Kensington.

The rules of The Big Swish are simple:

Raid your wardrobe

Check your wardrobe for good condition clothing items (up to 15 and on hangers would be fantastic) and bring them to Amika between 4pm-7pm. The Big Swish team will then check them in for you and issue you with a Swish booklet, to make sure the number of items you're taking home correspond to the items you brought with you. All clothes must be in good condition, any clothes with bobbles, stains or from Primark will not be accepted by our team of sorters. To give you all a great range of clothes to feast your eyes on, we will not be accepting plain T-Shirts, T-shirts with prints or wacky words will be accepted with glee!

Designer labels

There will be an exciting luxury section for those swapping designer clothes; this will be a separate section for those who have checked in designer labels only.

How many would you like?

If you just can't help yourself and fall in love with more clothes than your clothing donation, then you can make a minimum donation of £2.50 per additional item (additional items can only be purchased after 30 minutes of the Swish to ensure all attendees have a fair chance of all items). Any clothing left at the end of the event will be donated to Cancer Research.
